

PARDEEP SINGH

FULL STACK DEVELOPER

+91 77079 65614 | pardeep.codes04@gmail.com | linkedin.com/in/pardeep-codes | Mohali, India

EXPERIENCE

Full Stack Developer

Esferasoft Solutions Pvt Ltd

04/2025 – Present

- Built 20+ full-stack web products across finance, e-commerce, real estate, and events, from UI to APIs and databases.
- Integrated payments, identity verification, SMS, and email services, and used queues and caching for background jobs and faster responses.
- Deployed and maintained applications on Linux servers and managed code through Git-based team workflows.

Software Engineer

Acoustte

11/2024 – 04/2025

- Developed frontend and backend features for an existing product using AngularJS 1.x, Next.js, and Node.js.
- Fixed bugs and improved existing features, supporting ongoing development and maintenance.

MERN Stack Intern

Solitaire Infosys Pvt Ltd

02/2024 – 07/2024

- Built 3 full-stack web applications using the MERN stack.
- Worked across frontend development, backend APIs, database integration, and bug fixing.

PROJECTS

Student Finance Simulator – Multi-Role Financial Platform

- Built a financial management platform with six user roles (Admin, Sub Admin, School, Teacher, Parent, Student), each with separate permissions and workflows.
- Implemented billing, subscriptions, budgeting, student performance tracking, notifications, and analytics.

Fitness Accessories Marketplace – Shopify Integration

- Developed a two-sided marketplace for buying and selling fitness accessories, with admin controls for products, users, and platform activity.
- Integrated Shopify APIs and OAuth with webhooks and BullMQ/Redis to sync products, variants, and inventory between connected stores and the platform.

Solar Plant Management System – Backend Development

- Developed the backend and REST APIs for a solar plant management system, implementing core business logic and plant management workflows.
- Handled database operations, API integrations, and backend services supporting the application's data and operational needs.

EDUCATION

Bachelor of Computer Applications (BCA)

Chandigarh Group of Colleges

08/2021 – 05/2024 | Mohali, India
